

A detailed floor plan of Grace Episcopal Church. The plan shows a central nave with a large oval table and 12 chairs. To the left of the nave are two circular tables, each with 6 chairs. To the right of the nave are two rectangular tables, each with 2 chairs. The plan also shows various rooms, including a sanctuary with a large altar and pulpit, and several smaller rooms with different furniture arrangements. The text "GRACE EPISCOPAL CHURCH" is overlaid in large, teal, outlined letters.

Meet Andy Simons

If the name is familiar, it should be. Andy grew up at Grace Church as his father was The Rev. John Simons, long time church rector.

Andy pursued a profession in construction management and acts as our “owners rep” watching out for the churches best interest between the construction team, architect and city permitting.

Andy recently oversaw the construction requirements of Bellwether Farm, which is run by the Episcopal Diocese of Ohio.

Welcome back Andy.
