## Welcome to Worship at Grace!

If you have joined us in person for worship today, thank you! We ask that you please observe the following guidelines at this time, to protect the vulnerable in our community.

- **Masks must be worn all attendees, regardless of vaccination status. After prayerful consideration, the Vestry elected to resume requiring masks due to the rising wave of Delta Variant COVID inflections.**
- We ask those attending in-person worship to sign a waiver to cover appearances on camera since our 10:00 am in-person service will be livestreamed. We are attempting to limit camera appearances by congregants, but you may be on camera during the Processional, Recessional, or Communion. Anyone wishing to never appear on camera is asked to sit on the north side of the Nave (closest to Ridge Road), near the windows.
- All participants (including choir members and musicians) should remain socially distant.
- If you wish to receive the Blood of Christ, you are welcome to instinct from the chalice using the tool provided. Drinking from the cup is prohibited at this time, as is using the fingers to instinct.
- We continue to serve only bottled water and juice at the Coffee Hour gathering after the service.

## Updates and Reminders

- **Third Quarter pledge statements will be mailed out soon.** Watch your mailbox. And begin thinking about next year's pledge. Our annual stewardship campaign begins soon.
- **Today's altar flowers were provided by Thora Scott to the glory of God and in loving memory of Sherwood Scott.**
- Articles for the November Pace newsletter are due next Sunday, October 17.
- **Prayer List policy.** Remember that names are removed from our parish prayer list after 4 weeks, unless the person is known to have a ongoing issue. If your loved one has been removed and you would like them back on the list please contact the office.
